Notes

Timing conducted by state-of-the-art FinishLynx Camera System with time trials timed on TT-specific software.

Rates do not include travel costs. Events will be billed .57 a mile for all events more than 1 hour and less than 5 hours total travel time from Timer. For events more than 5 hours total travel time, events will also be charged for overnight accommodations.

Printed results guaranteed for awards ceremony. Electronic results delivered by email within 24 hours of end of event. Timer also submits results on behalf of event to USAC for sanctioned events.

Timing completed by licensed USAC and NACS official. See our website for other events we have timed at www.ridelcc.com.
